## FIRST Robotics Scholarship

Have you competed in FIRST Robotics during high school? If so, apply for the FIRST Robotics SICE scholarship! As many as 18 students can receive up to \$5,000 per year for up to four years. Applications will be accepted from November 1, 2017–February 1, 2018. For eligibility requirements and application instructions, visit [bit.ly/2018FIRSTapp](http://bit.ly/2018FIRSTapp).

## Project Lead the Way Scholarship

Students who have completed a full Project Lead the Way track or have received the AP+PLTW Certificate are eligible for a scholarship of up to \$5,000 per year for up to four years. Students must enroll in our unique Intelligent Systems Engineering major and choose one of our four tracks: computer engineering, cyber-physical systems, bioengineering, or molecular nanoscale engineering. View the application requirements at [bit.ly/PLTW-SICE](http://bit.ly/PLTW-SICE) and apply now!
